📁 PROFESSIONAL EXPERIENCE

Software Engineer Analyst, Accenture

Sep 2021 – present | Fulltime

- As a **full-stack Java** developer with **2.6+ years** of experience, I collaborate closely with the **Vodafone Germany** team to develop highly scalable applications by understanding **LDD** documents.
- Design **responsive front-end** using **HTML, CSS, and JavaScript** as per client requirements.
- Handled **backend** logic using **Java**, and **Spring** and mapped data from the **Database** using **SQL** queries.
- **Design, develop** and **deploy** applications on **servers** using the **Jenkins** pipeline.
- **Debug** and **test** code and **resolve defects** in the **production** system, saving **8 man hours monthly**.
- I have utilized **JUnit** to write **Unit tests** that validate the functionality of individual **units** of **code**.
- Efficiently managed multiple **CR**, achieving a notable **10x** decrease in response time with **0** major **defects**. In addition, I **organize** and **host Fun Friday** and **monthly connect** events to promote team bonding.
- Through my work, I have gained knowledge of company standards of application **software development**, **Agile**, and **iterative development** methodologies. My skills and tools include **Java, Spring, JavaScript, HTML, CSS, SQL, JUnit, TortoiseSVN**, and **Eclipse**.

Front-End Developer, YoursOwn Insticram Systems Pvt. Ltd ✉

Jun 2020 – Sep 2020 | Internship

- Developed responsive **4+ web pages** using **HTML, SCSS, and Bootstrap** for the Tourist Guide web app.
- **Lead 3+** member team, resolve doubts, conduct team meetings, and help them to understand code and fix bugs.
- **Got appreciation** from the company **CTO** for my **design** and **team-leading** skill. Github ✉

🧠 SKILLS

Programming languages: Java, Kotlin, Javascript

Web Technologies: HTML, CSS, SCSS

Frameworks: Spring, Spring-MVC

Database Management: MySQL

Miscellaneous: JSP & Servlet, OOPS, XML

Tools: Eclipse, IntelliJ, Android Studio, Git, TortoiseSVN

🎓 EDUCATION

MCA, College of IT & Management Education

Aug 2019 – Jul 2021 | Bhubaneswar

- **8.83 CGPA**, BPUT.

B.SC (ITM), NIIS Institute of Info SC. & Management

Aug 2016 – May 2019 | Bhubaneswar

- B.SC in Information Technology & Management

- **7.51 CGPA**, Utkal University.

📁 PROJECTS

Tech Blog, Web App ✉

- Develop this project to help coders to upload their code and showcase their knowledge to the coding community.
- Users can **signup**, sign in, **upload code** in the text format, attach an image of the output, comment, like, etc.
- This web app is developed using - **HTML, CSS, JSP & Servlet, and MySQL**. Github ✉

Connect Coder, Android App ✉

- This app is like a social media app where coders connect with each other and share their thoughts with coders.
- Here users can register, **signup using google**, and **upload codes** in any format like(**Image, pdf, Word, Excel, zip**).
- Users can **search for a coder** based on their profession, **message them** and also like and comment on their post.
- This app is developed using - **Kotlin, XML, and Firebase**. GitHub ✉

🏆 ACHIEVEMENT

- Received **Best People, Client Value Creation award** and achieved **Expert Proficiency in Java** from **Accenture**.
- Solved **50+ DSA coding** questions from **LeetCode** ✉ and **GFG** ✉.

📄 CERTIFICATES

Android app Development • Java with DSA

🌐 LANGUAGES

English • Hindi • Odia
